

# Alliances & Participations

In the Netherlands, we have interests in three regional airports: Eindhoven Airport (51%), Rotterdam The Hague Airport and Lelystad Airport (the latter two both 100%). Alliances & Participations is also responsible for other activities, such as Schiphol Telematics and Schiphol Utilities. The business area also encompasses our participations in foreign airports in Paris, New York and Brisbane. In addition, we support airport activities on Aruba.

## Revenue

EUR 158 million (+4.7% vs '11)

## Operating result

EUR 32 million (-8.9% vs '11)

## Sources of revenue

The domestic airports mainly contribute to the revenue in the form of airport and parking charges. Schiphol Telematics provides telecom services to companies. Schiphol Utilities generates revenue from the transportation of electricity and gas and the supply of water. The foreign airports contribute to the revenue through management, performance and intellectual property fees. Furthermore, they contribute to the net result through a share in the result of associates, dividend and interest income.
